

QA Assistant

Type of contract: Full-time, temporary fixed term

Immediate start, role to conclude 16th September 2022

Salary: £100 per day

Location: On-site, Nantwich

About Oceanium

Oceanium (www.oceanium.world) is a pioneering processing company that will generate systemic change in the emerging sustainable seaweed farming industry in the western hemisphere. We have developed a cutting-edge, green biorefinery technology, processing seaweed into high demand food and nutraceutical/cosmeceutical ingredients and innovative materials. We are currently processing at a bio-refinery in Reaseheath College, Nantwich.

About the role

We are looking for a QA Assistant to support quality assurance in the bio-refinery. This would be ideal for someone with a background in Food Science or Technology related disciplines. Appropriate training will be provided.

The QA Assistant will be required until 16th September 2022. This will be a full-time role (10 hours per day, 8am – 6pm, including 1 hour paid break) and the pay rate is £100 per day. There will be a completion bonus paid at the end of the contract (at the discretion of the manager). The worker will be required at Reaseheath College, Nantwich, so must be within commuting distance to the college (travel expenses will not be paid).

This is an exciting opportunity to work with a progressive business and get an introduction to the exciting work happening at Oceanium!

Job Specification for QA Assistant:

The main responsibilities of the role are:

- GMP & fabrication audits, checking & reporting on the adherence to QM policies & procedures.
- Glass & Brittle Audits.
- Collecting Micro samples as per schedule (Water, Hygiene Swabs, Finished Products).
- Collection, check and filing of all daily production & QA check sheets.
- Conduct daily label checks to ensure traceability.

- Calibration of weighing scales and temperature probes.
- Assist with carrying out temperature and quality checks.

Next steps

If you feel that you have the right blend of capabilities and experience as well as the ability to make a significant contribution to Oceanium please send a cover letter, current CV and availability to oceaniumpeople@oceanium.co.uk.

At Oceanium, we recognise the value of a diverse team and we are committed to and encourage applications from people with varied experiences, perspectives, and backgrounds. Reasonable adjustments are available to support candidates through the application and interview process. Please note all offers of employment are subject to continuous eligibility to work in the UK and satisfactory pre-employment security screening.
